Balance in Bank	$ 263.19

All of the Presbyteries, except Concord and King's Mountain, have paid their assessments in full. Concord is due a balance of $65.-00, and King's Mountain is due the whole of her Assessment $65.00.

At the last meeting of Synod, it ordered that the assessments be increased to the total amount of $1000.00. This was about 65 per cent increase for each Presbytery, making the amounts stand as follows:

Orange $165.00, Concord $165.00, Fayetteville $220.00, Wilmington $100.00, Mecklenburg $210.00, Albemarle $75.00 and King's Mountain $65.00. Total, $1000.00.

This amount is not sufficient to meet the necessary expenses of

the Synod. It is true there is a balance in the treasury today of $263.19, and there are no outstanding debts, but this amount will no much more than pay the salaries and expenses of your clerk for this meeting of Synod, much less the printing of the minutes of this meeting, with the added cost of printing the roll of the elders and deacons.

Your Treasurer has no recommendation to make but unless the assessment is increased, he does not know how to proceed, except to borrow money, as necessity may demand, until next October.

Respectfully submitted,

D. I. CRAIG, Treasurer.

Subsequently the Auditing Committee made the following report which was adopted:

REPORT OF AUDITING COMMITTEE

The Auditing Committee begs to report:

That they have examined the Treasurer's book and vouchers, and find the disbursement of the funds in his hands have been properly made, and all funds duly accounted for.

The Committee recommends that each Presbytery be requested to forward the Treasurer a 50 per cent extra assessment April 1st. This will place cash enough in the Treasury to enable him to pay all bills in cash and not have to borrow from banks, leaving at the end of the year balance enough to carry him through the incoming year, with the regular assessments as now paid.

Respectfully submitted,

PETER S. GILCHRIST, Chm.
A. M. FAIRLEY,
C. F. RITCHIE.

9. A number of excuses for absence were referred to the Committee on Leave of Absence.

10. A communication from Miss Mebane was referred to the Home Mission Committee.

11. A communication from Dr. H. H. Sweets was referred to the committee on Systematic Beneficence.

12. A communication from Dr. D. Clay Lilly, was referred to the committee on Systematic Beneficence.

Rev. B. P. Smith of the Presbytery of Yadkin, Synod of

Catawba, was introduced and invited to sit as a corresponding member, and it was ordered that he be heard immediately following the Home Mission Committee's popular meeting tonight.

The committee of Schools and Colleges made a report which was received and pending its adoption, Synod heard an address by Dr. J. D. Eggleston, President of Hampden-Sidney College, Virginia. The report went over as unfinished business, and the committee on Resolutions of Thanks was requested to prepare a response to the address of Dr. Eggleston.

The committee on Orders made the following partial report which was adopted:

We recommend that Revs. Messrs. J. N. H. Summerell, and J. R. Bridges, conduct the Communion Service, assisted by the following Ruling Elders: Ed. Williamson, J. S. Kennedy, George Mitchell, Z. V. Turlington, H. H. Taylor, G. L. Ramsey, R. D. Carson, W. D. Harry, P. W. Garland, R. P. Richardson.

Recess for five minutes was taken.

Synod convened after recess, and engaged in the Synodical Communion Service, followed by the Memorial Service.

The following Memorials of deceased brethren were read and adopted by a rising vote:

The Memorial of John R. Herndon was read by Rev. E. D. Brown; of J. C. Kennedy, by Rev. J. M. Grier; of J. McI. Wicker, by Dr. H. G. Hill; of E. W. Souders, by Rev. L. Smith; of F. L. Johnston, by Rev. Carl B. Craig.

The Memorials are as follows:

REV. JOHN RANKIN HERNDON

John Rankin Herndon, son of Jacob C. and Martha B. Herndon, was born in Rutherford County, Tennessee, August 22, 1862. After finishing his studies in the schools of his native county he entered the Southwestern Presbyterian University; graduating from the literary department in 1886, and from the theological department of the same University in 1889. He was ordained to the gospel minis-

try in April, 1889, by the Presbytery of Nashville. His first pastorate was served in the Westminster church, Nashville, Tennessee, 1889 to 1894. For the year following this work he was Evangelist for the Presbytery of Nashville. In January, 1896, he accepted a call to the pastorate of the First Presbyterian Church, Johnson City, Tennessee. From there he was called to Glade Springs church in Virginia where he remained until August, 1907, at which time he became associate editor of the Christian Observer, Louisville, Kentucky. In 1908 he accepted a call to the church at Cleveland, Tennessee, continuing his work on the editorial staff of the Christian Observer. He remained in this field of labor until the Autumn of 1915, when he accepted the pastorate of the Presbyterian church of Ocala, Florida. He accepted a call to the pastorage of the Waughtown Presbyterian church, Winston-Salem, N. C., in August, 1919, and was installed pastor of that church, September 28, 1919, where he remained until the time of his tragic death.

Mr. Herndon was married to Sue Rogan Wood, June 29, 1899, and to this union were born two daughters, Sarah and Margaret.

The life of this servant of God was characterized by earnest devotion to the work of his Master, the evangelistic note sounded clearly in all of his preaching and bore much fruit through his ministry.

As a man, he represented the fine type of citizen that every community delights to claim—cultured, refined, endowed with a splendid mind and noble Christian heart that led him to humbly offer these to the service of his fellowmen. The section of Winston-Salem where he spent the last days of his life knew his true worth as a citizen and friend.

As a Presbyter, he knew the work of the church at large, had a high and noble conception of her mission, possessed a wide, personal acquaintance with the personnel of the church, and always delighted to aid in the work of the Courts. He served as Stated Clerk of his Presbytery in Tennessee, as Recording Clerk for the Synod of North Carolina, and as Permanent Clerk or Orange Presbytery.

His death came in a sudden and tragic manner on December 22, 1920. While returning from the Post Office, across the street a few blocks from his home in Waughtown, he was struck by an automobile and killed instantly.

Strong in body, brilliant in mind, noble in spirit, devoted and loving in heart, active in service—called suddenly, but ready to go.

T. W. SIMPSON, Committee.

REV. J. C. KENNEDY

J. Columbus Kennedy was born in Mecklenburg county, North Carolina, December 13th, 1834. He departed this life at Kannapolis, North Carolina, December 12th, 1920.

In 1849, he on confession of faith in Christ, was received into membership of Sharon church within whose bounds he was born.

Although born blind he had earnest desire to preach the gospel of the Master he so devotedly loved. Early in life he learned to read the old-fashioned raised script Bible. This massive volume he carried with him on his many journeys and it was ever the object of his solicitious care. He truly became a man of one book and an able expounder of the great fundamental doctrines of grace.

His long cherished desire to preach the word was at length realized—he being licensed by Mecklenburg Presbytery in 1885. He was ordained by Concord Presbytery in 1891. Handicapped by lack of sight he never became a pastor but making long journeys from his home at Mount Mourne, North Carolina, he traveled his native State and often into adjoining States gladly availing himself of every opportunity to preach the gospel.

He was deeply interested in men and most keenly did he enjoy visits in Christian homes. Family relationships and marriages interested him and of all men the writer has known, he was best informed on such matters, being able to trace kinship of families he had visited from the Valley of Virginia into Georgia.

Often in my home has he opened his heart and his inner desires and expressed hope that God would call him home by time he reached three score and ten and before decrepitude and complete dependence on others would be his portion. But God's ways are not our ways. In providence of God, dullness of hearing added to his congenital trouble and later on a severe fall left him a helpless cripple for remainder of his life. It was through much tribulation he entered into the Kingdom. But finally, the ears dulled to the voice of loved ones on earth, opened to hear the new song of heaven like the Seer on Patmos heard it "as the voice of many waters and as the voice of a great thunder and I heard the voice of harpers harping with their harps." Eyes ever blind to earth's beauties had on their first vision, the glories of heaven and to him was fulfilled the promise of old, "Thine eyes shall see the King in His beauty, they shall behold the land that is afar off."

JAMES McIVER WICKER

Rev. James McIver Wicker was born December 28, 1885, in Lee County, then Moore county, near Sanford, North Carolina.

In his childhood, he attended the neighborhood schools. He went to the Bingham school at Mebane, and finished his course there in June, 1880. He taught at Alamance church in Guilford county in the fall of 1880, and the spring of 1881. He went to Texas in August, 1881, and taught there until February, 1882. Then feeling the call to enter the ministry urgent, he resigned and went to Princeton University, then, the college of New Jersey. He entered the Freshman Class, half advanced, in February and graduated in June, 1885. He entered Princeton Theological Seminary in September, 1885, and graduated in June, 1888. He spent his summer vacation in 1887, in Degby, Nova Scotia, supplying a vacant church. Immediately after graduating he was called to Shennandoah church, Pennsylvania, where he remained three years. He was then called to Edge Hill church, Pennsylvania, in 1891. His pastorate at Edge Hill was very successful and during his stay there, a very handsome church building was erected.

He was married to Miss Margaret Gilmour, October 1, 1891.

He was called to Puritan church, Philadelphia, in 1897. This was a fruitful pastorate, and he deemed his best work as a minister was done there. During his service there, the congregation erected a handsome church building. He resigned his pastorate there in 1909, after successful work for the Master for twelve years, and came to St. Pauls in Fayetteville Presbytery, North Carolina, the summer of that year. He preached in several charges in Fayetteville Presbytery and had a pastorate of several years at Lumber Bridge church.

His health failing in his later years, he retired from regular active labors, and in his sixty-sixth year passed away to his heavenly home, and reward.

He was a man of varied and ripe scholarship, a thorough Calvinist, could deliver an edifying Theological lecture, and preached impressive sermons. He was modest and retiring in his disposition, would rarely pass for his worth among his brethren, and would be most esteemed by those who knew him best. His record is with his Lord, and in the hearts of those whom he longest served.

H. G. HILL, Committee.

REV. E. W. SOUDERS

Rev. E. W. Souders was born March 7, 1843, at New Plymouth, Ohio, and spent the greater part of his childhood and young manhood days in that State. He was educated and trained for his life work there—taking his academical course at Wittenburg College, Ohio, and his Theological training at the Seminary of Springfield, Ohio, where he graduated in June, 1866. He was ordained August 5, 1867, by the Evangelical Lutheran Synod. In the Lutheran church he remained for 16 years, at the end of which term of years, he came to the Presbyterian church. The following are some of the churches of which he was pastor in his faithful service to the Kingdom of Christ:

Circlesville, Ohio, Carthage, Illinois, and Clinton, Indiana. His service in the Presbyterian church, North, covered a period of about 17 years. He labored under difficulties on account of impaired health, suffering at times with a bronchial trouble which eventually caused him to lay aside his ministerial labors for a time. About the year 1900 he came South seeking a better climate for his health—locating in Fayetteville, North Carolina. Here he rested and gradually grew better until the year, 1903, he determined to go back to that work he loved best, and applied for admission into Fayetteville Presbytery and resigned from Presbytery of Crawfordsville, Indiana, in the fall of 1903.

He was called to churches of Kenly, Smithfield and Oakland. Fayetteville Presbytery which churches he served very acceptably for five years. During this period he also served as stated supply the church at Dunn, North Carolina, beginning his services there in the year, 1904. In 1908, he was permitted by Fayetteville Presbytery to resign his position as pastor and stated supply of the above named churches, and accept a call to the Congregational church at Southern Pines, North Carolina. Here he finished his duties as an active preacher of the Gospel. After two years in this pastorate, his health failed again, and he retired from active labors to spend the rest of his days as an invalid. He became totally blind in 1911, and that affliction with feeble health in other ways, caused him to have to cease absolutely all active labors.

Those who knew him best and had opportunity to observe him, say that in all his affiictions he maintained a submissive and uncomplaining spirit. He quietly acquiesced in what he knew to be his Master's will.

Brother Souders was naturally a man of sweet spirit and gentle disposition as the writer knew him. A man modest in his manner and yet firm in his stand on principles of right and wrong. As a

Presbyter he was not heard often on the floor of the Church Courts, but was wise and helpful in his counselling in matters of importance in the work of Christ's Kingdom. In his every day walk he exemplified the fact that he was a man of God and loved His Holy Laws. In his daily contact with men, he was sociable and companionable. While modest and unassuming, he impressed you with his quiet firmness. As a preacher, he was far above the average. In his sermons he used some of the most expressive, impressive and yet chaste language. His manner of delivery was very pleasant, and his discussion instructive. He made his way into the hearts of people where he was pastor, and was at any time a welcome visitor in their homes. He loved his work for he loved the souls of men, and it was a heavy cross to be compelled to lay aside and be unable to do anything for the cause to which he dedicated his life.

In the very beginning of his ministerial life he was happily married to Miss Bunnavista Morgan, with whom he lived 55 years, and who, with two sons, survive him. After a long period of patient waiting, the call came for him to go up higher. On May 30, 1921, he passed to his eternal reward. In that long solitude as shut out from joy of earth, he was shut in with the privilege of close and sweet communion with his heavenly Father, and, that fellowship ripened him for the Home that the Saviour prepared for him.

He was taken back and buried in the land of his birth, and there he rests from his earthly labors, but his work done here in this Southland and elsewhere, is going on and will continue to follow him.

L. SMITH, Committee.

REV. FRANK L. JOHNSTON, D. D.

On June 6, 1921, there passed from our midst to his eternal reward, a man of unusual worth and ability, a quiet man, learned, gifted man, whose soul was on fire for the Kingdom of God, whose devoted service was poured out without stint or measure, whose love for Christ's Kingdom and for those for whom Christ died, was so great that he literally burnt out his physical powers in consuming energy for the work.

Frank Lovejoy Johnston was born March 4, 1864, at Byron, Illinois. After his preparatory and collegiate work at Wheaton College, Illinois, he attended Yale Theological Seminary, from which he graduated in 1892 and entered the ministry of the Congregational church.

In June, 1895, he married Miss Hitty DeGraff of Omaha, Nebras-

ka. His wife, one son and four daughters survive him.

Most of his ministerial life was spent in the Congregational church in the following pastorates: Unitown, Washington, Omaha, Nebraska, Valley Junction, Iowa, Mt. Pleasant, Iowa, and Tabernacle church, Kansas City, Mossouri; the last named pastorate extending from 1904, to 1914. In the Presbyterian church, he was pastor at Edgeley, North Dakota, East Side Presbyterian church, Kansas City, and his final work at Smyrna and Laurel Hill churches, Laurinburg, North Carolina.

Dr. Johnston was not only a gifted preacher and pastor, but also a man of scholarly attainments, especially along sociological lines. In 1895, he went to England to study conditions among the poor and in later years his investigations of slum life and his betterment work in Kansas City, received the thanks of the Governor of his State. In 1914, he served as supply at the English Protestant church at Petrograd, Russia. He was intensely interested in Rural life, and was recognized as one who spoke with authority, being the lecturer on that subject at the University of Missouri during the Rural Life Conferences of 1918 and 1919.

This rich store of knowledge along rural and economic lines made his work at Laurel Hill and Smyrna, all the more valuable and telling. He knew the theory and also how to put the theory in practice. Night schools were established for the illiterate whites and many learned to read, adults as well as children; lectures were given on thrift and kindred subjects, and last, but not least, the people themselves were through him brought under the influence of the church and many into its membership. His dream was to make the rural church the community center. He built a tennis court, also a swimming place at the church grounds, and the ladies were organized into a Community Club. Though he was permitted to labor in our midst only a few months, his dream was already becoming a reality.

Dr. Johnston was held in high esteem by his brethren as evidenced by the fact that he was twice elected Moderator of Kansas City Presbytery and once of the Synod of Missouri.

The manner of his going showed the spirit of the man. Although he had been warned of the seriousness of his state of health, he worked with unflagging energy and zeal to the very last, preaching three or more times the week before he died. He was with us but a short time, but long enough to win the respect of his brethren for his piety and scholarship; their admiration for his untiring zeal; and the affection of all his people for his wise leadership and pastoral care. His

work inspires in us a vision of the power that lies in the rural church to touch the whole community. He was a true man, a great-souled, far-visioned man, who loved God and lived his love in serving those for whom Christ died.

CARL B. CRAIG, Committee.

Synod then took recess until 3:00 o'clock p. m.

SECOND DAY—AFTERNOON SESSION

Tarboro, N. C., Wednesday, Oct. 19, 1921.

Synod met at 3:00 p. m., and resumed business. The unfinished business, viz: The report of the committee on Schools and Colleges was taken up and Synod heard an address by Rev. W. M. Hunter, Chairman. The report was adopted and is as follows:

REPORT TO SYNOD

Your committee on Schools and Colleges, begs to sumit the following report:

We have five institutions doing grammar and high school work, with a total enrollment of 347 students, taught by 34 teachers:

Grove 7 teachers, 53 students; Elise 5 teachers, 67 students; Glade Valley 5 teachers, 55 students; Westminster 5 teachers, and 61 students.

These four institutions are by no means crowded in their boarding departments, as only about half of their student body board and live in school dormitories; which shows conclusively that these Institutions could take a much larger number of boarders than they now have.

Albemarle seems to be more fortunate, with her 12 teachers and 111 students, and found it necessary to turn away 13. Her normal dormitory capacity is 65, yet she has 82 boarders.

COLLEGES FOR WOMEN

These institutions are crowded to over-flowing:

Flora MacDonald 34 teachers, 297 students; Queens 20 teachers, 251 students; Mitchell 12 teachers, 182 students; Peace 29 teachers,

150 students; making a sum total of 160 teachers and officers and 1,842 students.

Two of these Institutions were compelled to refuse entrance to a few applicants, (Flora MacDonald 9, and Queens 10) though each rent outside apartments for students.

COLLEGE FOR MEN

Davidson has had 512 students on the campus this fall, being instructed by her 25 professors and a number of assistants. This student body is much larger than should be for the very best results, but as Davidson has a representative at Synod, you will, hear from him.

THEOLOGICAL SEMINARY

Our Theological Seminary is now enjoying, perhaps the most prosperous period of her history, with 9 professors and 105 students; being so crowded that she finds it necessary to rent apartments off campus for certain students and their families. This makes a sum total of 1,842 students in our 11 institutions.

Several of our institutions show an over-crowded condition; especially Davidson. For example, 512 students, over against dormitory capacity for 367. The sum total of improvements made in the way of buildings and equipment, during the past year, amounts to about $40,000, which does not include the handsome new Sunday school building at our Seminary. There is a crying need from each school and college for either dormitories, laboratories, libraries, laundries or class-room equipment.

FINANCES

Our treasurer's report shows a sum total of receipts, $15,593,07 (showing an increased amount over last year of $7,509,86) which has been disbursed to the various institutions as designated by the several Prebyteries.

THE YEAR'S EXPENSE

Charged off to each Institution according to amount each received:

One Typewriter	$ 90.00
Amount Paid by request to Systematic Beneficence Com.	150.00
Printing, Clerical Work and Postage	246.22
Total	$486.22

Respectfully submitted,

W. M. HUNTER, Chairman.

N. B. Amounts sent direct to our Institutions by the various church agencies, and not through our treasurer, $6,498.25, making a sum of $22,091.32 for the year.

RESOLUTIONS

RESOLVED, That Synod call attention to the summer Bible schools as conducted by some of our church sessions and suggest to others that they put this into practice this coming summer wherever feasible. And that the committee of Schools and Colleges be authorized to investigate this method of instruction and report at next meeting.

That our church sessions, schools and college faculties be requested to seek out promising young men and young women who have decided to enter the ministry or mission of the church, and lay upon their hearts and consciences the question of equipping themselves as Christian teachers for a life's work.

That the Synod give your committee the authority to investigate the possibility of offering a course of English Bible at our State educational institutions and report its findings to Synod.

RESOLVED, That the Synod express most hearty thanks to our Treasurer, Mr. F. L. Jackson and his assistant in the office of Davidson, Miss Hattie Thompson, for their great kindness and accuracy in keeping the treasurer's account of this work.

SUPPLEMENTARY REPORT OF COMMITTEE ON SCHOOLS AND COLLEGES

There have been referred to this committee reports from Davidson College, Montreat Normal School, and the Mountain Retreat Association.

DAVIDSON COLLEGE

The Synod notes with great pleasure the very encouraging report coming from Davidson College, and would call attention to the increased patronage of the venerable institution from various denominations. For example, we note in a student body of 512, we have eleven protestant denominations represented on the campus. Also that seventeen states have representatives there and three foreign countries and that more than one-half of the student body comes from a constituency not connected with the Presbyterian church within the bounds of our Synod.

NEW PROFESSORS

We are glad to note that it has been made possible for the Board of Trustees to employ a number of new professors, and while we do

not consider the teaching force as large as we would like to see it, we feel quite sure that the work is being as well done at Davidson as in any one of our great institutions.

While the church has done a great deal in recent years by way of financial support, yet when we consider the advanced cost of living, coupled with the almost doubling of the student body, and large number of additional professors, we can only say that Davidson must have more money to pay for larger equipment and more professors.

While we feel very grateful to the great head of the church for supplying us with a splendid faculty and so large a number of students, which means larger opportunities, we at the same time would reaffirm Dr. Martin's most earnest appeal for larger financial support from the church.

MONTREAT NORMAL SCHOOL

This institution is doing a great and a needed work for our church by way of offering education at a very moderate cost to many worthy and needy young women, and we would commend the work of this institution to the thoughtful and sincere consideration of our people.

It is the judgment of your committee that it is indeed a wise plan for the Montreat plant, so well equipped for educational facilities, to be used during the Montreat vacation period, instead of allowing it to remain idle for nine months in the year.

MOUNTAIN RETREAT ASSOCIATION

This report shows clearly that eight distinct conferences are carried on at this place, beginning June 21st and ending August 25th, and that in addition to the great amount of information that is disseminated among both our younger and older people in regard to the great work that our church is doing, both in home and foreign fields; perhaps the greatest and most important of all is the emphasis laid upon what is known as "The Bible Study Hour" presided over by such men as our Doctors Theron H. Rice, J. Gray McAllister, Melton Clark, and E. C. Caldwell.

It is with great joy that we note that the material equipment in this Association has been so handsomely improved by the addition of the large and commodious auditorium, which is nearing completion, and that Montreat looks forward to an era of usefulness for our church, and we would commend this institution to the liberality of our people in supplying the Association with further equipment for the auditorium, as well as other needed improvements.

W. M. HUNTER, Chairman.

Respectfully submitted,
F. L. JACKSON, Treasurer.

The report of the committee on Work in State Institutions was received and, pending its adoption, addresses were made by Rev. Messrs R. M. Williams and John Allen McLean.

Report was adopted.

Your committee on Christian Work in the State Educational Institutions begs to report that it has made thorough investigation in regard to the work that is being done in all our institutions. At the last meeting of Synod your chairman was ordered to visit all the institutions before the next meeting of Synod. For the last week your chairman has made a tour, beginning with the North Carolina College for Women, at Greensboro, the State College for Men, formerly known as A. & M. College, at Raleigh, the University of North Carolina, and the Training School for Women, at Greenville. Your chairwas more than delighted with the work that is being done in all these institutions and the welcome these institutions accorded him as your representative. He spoke to a large number of the student body of each of these institutions, indicating the interest that church has in them and presenting the claims that Christ and the Church have

upon their lives, and urging them to put first things first. The heads of these institutions expressed to your representative, asking him to convey to Synod their deep appreciation of the interest shown by the Synod.

At the North Carolina College for Women they have 1,000 students enrolled, and practically all the students belong to some of the Evangelical churches. They have a thoroughly equipped Y. W. C. A. secretary who is giving all her time in directing the Christian activities of the young women. In Greensboro all the churches show a deep interest in the student body and have great numbers of them in their Sunday schools and preaching services. Religious services are held in the chapel of the college three times a week, conducted either by some member of the faculty or other religious leader. The Vesper service is held every Sunday evening and daily Evening Watch is also held. They have twenty-five Bible and Mission Study Classes for this year, taught by the students and members of the faculty. In addition to the religious work in the institution they co-operate with the social and charitable agencies of the City in any definite work that is offered. There is an active Volunteer Band composed of twelve young women definitely prepared to take up foreign mission work. Besides a large budget to cover their local expenses, they make a gift of $500.00 to foreign Y. W. C. A. work.

At the Eastern Carolina Training School, in Greenville, they have 325 students, all of them belonging to the churches with the exception of 18. Your representative was delighted with the spirit of this institution. All the members of the faculty are very earnest in their Christian activities and take a very deep interest in the spiritual welfare of the student body. The young women attend Sunday school and church services in the City, and the churches show a very deep interest in doing what they can for their spiritual development. The Y. W. C. A. is active, holding two meetings a week, every Friday and Sunday evening. They have fourteen Bible and Mission Study Classes which are well attended. They gave $225.00 for mission work during the last year and raised $700.00 for their own expenses. They are planning for two meetings during this year, one an evangelistic service and one a course of lectures on Christian fundamentals.

At the State College at Raleigh they have 1,000 students. They hold a daily chapel service and have a very active Y. M. C. A. organization, with a splendid man as secretary of the "Y." They have 32 Bible Classes with 340 men enrolled as earnest seekers for truth. They have recently had Dr. Allen K. Foster to give a series of lectures to the students, Dr. Foster being a member of the Educational

Board of the Northern Baptist church. His addresses greatly enriched the Christian life of both faculty and students. They are planning to have the strongest men they can get in the country to speak to them during the year on Christian fundamentals, and point out the claims of Christ upon their lives.

Your representative spent Sunday at the University and preached at the Presbyterian church on Sunday to a large congregation composed of University students, members of the faculty and the people of the village. The great Christian spirit manifested in the church and in the village impressed your representative very deeply. We recognize Chapel Hill as one of the most strategic points of power and influence in North Carolina, there being 1,600 students. The president and faculty of the University are feeling very deeply the the great responsibility resting upon them in directing these young lives. Christian forces trere are grappling with their task. They have the best man that they can find as Y. M. C. A. secretary and he is doing a splendid work in directing the Christian activities of the Institution. They have a large number of Bible Classes taught by the strongest men that they can get, and we are not pessimistic in regard to the outlook of the result of their efforts. Our beloved brother, W. D. Moss, the pastor of the Chapel Hill church is doing an unparalled work among the 1,600 students there. Everybody at Chapel Hill admires him, loves him and believes in him with all their hearts, and his influence is being felt in the transformation of the lives of the young men. He preaches to large congregations every Sunday, teaches a great number of Bible Classes, and holds conferences with the students nearly every day, with hundreds of interviews in regard to the problems that confront them. His labor among the students is quite an asset to the Presbyterian church, and we as a Synod should praise God and thank Him for his life and consecration among them. His church has asked the Home Mission Committee of the Synod that they reduce their gift of $1750.00 a year on his salary to $1500.00. This was a voluntary act on their part, showing a willingness as they become stronger to bear their own burdens.

Your representative, after this thorough investigation, feels profoundly grateful for the work that is being done in our State Institutions, composed of 4,000 of the choicest young men and women of our Commonweath.

Respectfully submitted.

R. MURPHY WILLIAMS, Chairman.

The report of the committee on Systematic Beneficence was received and adopted as follows:

The committee on Stewardship submits the following amended report:

Your committee desires to call attention of the Presbyteries and churches to the fact that the General Assembly's Training school is an Assembly's cause, and that all contributions made to the training school should be taken from the percentage given to the Assembly's causes. The Synod also urges Presbyteries and churches to contribute to the training school the full percentage recommended by the Assembly and to send these contributions direct to Mr. George W. Call, treasurer of the Training School, Union Bank, Richmond, Va.

The total contributions of the past year reach the splendid amount of $942,777.00.

In explanation of your committee's failure to secure a full-time Synodical manager as instructed last year, we beg to report that no adequate financial means were available, and do now ask Synod for further instruction in regard to this matter.

The committee recommends:

1. That the Synod accept the apportionment of $743,541 as its quota for Benevolences in the Presbyterian Progressive Program sent down by the Assembly.

2. That this amount be apportioned to the several Presbyteries on the basis of the Spillman Plan as follows:

Albemarle	$ 70,088.00
Fayetteville	139,731.00
Mecklenburg	131,885.00
Orange	158,071.00
Wilmington	100,998.00

3. That the 40 per cent of $743,412 apportioned to Synods and Presbyterial causes be pro rated to Synodical causes as follows:

Orphan's Home	7 1-2 per cent
Synod's Home Missions	10 per cent

And that the remaining 22 1-2 per cent be divided as each Presbytery deems wise.

4. That the overture of Wilmington Presbytery relative to the placement of extra gifts be adopted and the General Assembly so Overtured

The Presbytery of Wilmington respectfully overtures the Synod of North Carolina to meet in Tarboro, North Carolina, October 18, 1921, to overture the General Assembly to direct that all extra gifts which do not go directly to the benevolent causes of the Assembly, the Synod or the Presbytery, be put in the Miscellaneous Contribution column.

By order of Wilmington Presbytery in session in Clarkton, October 5, 1921.

W. P. M. CURRIE, Stated Clerk.

5. That in line with the General Assembly's recommendation, we recommend that the name of this committee be changed to the Synod's Stewardship Committee.

EDWARD N. CALDWELL, Chmn. pr tem.

The following is the added report of the Stewardship Committee:

Your committee on Stewardship, together with the special committee to which was referred the matter of securing a Synodical manager, would recommend:

1. That such an officer be employed, provided only, that in the judgment of the committee after careful investigation a suitable man shall have been found, and further provided that Synod is sufficiently in earnest about this matter to provide necessary funds, and that the committee be limited to the amount of $12,000.00.

2. We further recommend that these funds be provided in the following plan; recommended by the General Assembly Stewardship Committee, to have the causes which are benefitted by the work of the Synodical manager to return an agreed per cent of their receipts.

3. We further recommend a continuation of this present committee until the next meeting of Synod.

EDWARD N. CALDWELL, Chmn. pro tem.

Synod heard an address by Mr. J. B. Spillman, of Columbia, South Carolina, on the work of the Assembly's Stewardship Committee. Synod also heard an address by Rev. W. L. Lingle, D. D., on Union Theological Seminary.

Rev. J. R. Bridges, D. D., spoke for a few minutes in the interest of the Presbyterian Standard.

The First Presbyterian Church, Lincolnton, North Caro-

lina, selected as the place of the next meeting of Synod, and the time fixed by Standing Rule is Tuesday, October 24, 1922, at 8:00 o'clock p. m.

The report of the Board of Regents of the Orphans' Home was received and referred without reading to the Permanent Committee on Orphans' Home.

Synod took recess until 8:00 o'clock tonight.

SECOND DAY—EVENING SESSION

Tarboro, N. C., Wednesday, Oct. 19, 1921.

Synod met at 8:00 p. m., and engaged in a popular meeting in the interests of Synodical Home Missions.

After devotional exercises conducted by Superintendent Rev. A. W. Crawford, the annual report of the Committee of Home Missions was submitted, and, pending its adoption, addresses were made by Dr. J. P. McCallie of Chattanooga, and Rev. A. S. Johnson, D. D.; after which the report, with its recommendations were adopted, and is as follows:

REPORT OF THE HOME MISSION COMMITTEE

Your committee has tried to carry forward intensely and vigorously the greatly enlarged work authorized and inaugurated by the action of the Raleigh Synod of 1919.

The Presbyteries have co-operated fully in this movement. They have enlarged their own work greatly and we have encouraged them to call on us freely. Yet in this advance we believe they have acted with wisdom and care, their requests have been reasonable, and so far in this new movement no requests made by them for appropriations from us have been declined.

This year this work of enlargement has gone steadily and sanely forward. God's blessing has rested richly on this enlarged effort and the reports of the workers show a large increase in the ingathering of souls over anything known in the previous history of the work.

With this enlargement our financial obligations have steadily increased also and our expenditures for the General Work for the year now closed have been $8,000.00 more than for last year, which was increase of $15,000.00 over the year before that.

This increase of expenditures was sustained by the steady increase of the contributions of the churches from Synod up to midsummer, when owing to the general financial depression there was such a falling off as seemingly almost to threaten the work with collapse. In response to our earnest call and a clear statement of the facts to the congregations they have responded nobly in the last three weeks and brought the contributions in the end to $5,763.00 over the contributions for last year and the year has closed with the work paid for. To do this, however, we had to use practically all of the $4,500.00 working balance on hand at the beginning of the year, and we enter upon a new year dependent on the immediate and steady contributions of the churches.

Especially would we ask the Synod to urge those congregations which have not yet sent in their proportionate share of the expense of the work since the spring Presbyteries, as is the case with many, including some of the largest and strongest churches, to come to our aid now, that the work may go forward.

We present the following detailed statements:

64 supported wholly or in part by the Synod's Com. supplied 110 weak churches and 101 other mission points. They report
7,193 sermons preached.
3,724 professions of faith.
1,898 additions to the Presbyterian church on profession.
454 additions by letter.
27 Sunday schools organized.
4 churches organized and 4 church buildings completed.
17 churches and manses under construction have been aided & $50,342.92 expended in the whole work as compared with $37,410.15 last year.

Fine increase in every department. Of special note the fact that there were 1898 additions on profession as compared with 1202 last year, the largest previous number in the history of the Synod's work, this year's additions being more than half the total number reported in the Assembly's minutes for the whole Synod.

Of the 64 engaged in the work, 56 were ordained ministers, and 8 Sunday school workers, six of them trained women engaged especially in mill villages.

Included in the whole is the fine work of our four General Evangelists, Rev. William Black, Rev. O. G. Jones, D. D., Rev. Conner Brown, and Rev. Leonard Gill, who held 85 series of evangelistic services in which they reported 2894 professions of faith and 1311 additions to the Presbyterian church.

Since the last meeting of Synod, Rev. William Black, General Evangelist of the Synod, reports as follows:

Conducted 21 series of meetings, and preached at 5 other places in the Synod; preached 348 times; in these meetings there were 1259 professions; 482 additions to the Presbyterian church by profession; many additions by letter, 251 promised to establish Family Worhip and 3460 persons to read the Bible and pray daily; organized 5 Sunday Schools and as a result of these meetings, 2 churches were organized, raised $2033.33 for Synod's Home Mission Work and more than $1547.94 for Congregational purposes, ordained and installed 3 elders and 2 deacons and conducted a large number of prayer and other religious services not included in the above.

In several of these meetings, large numbers of colored people were present, and not a few of them made profession and gave other evidence of being interested; also preached to many Indians at their State School in Pembroke. Planned to hold a Bible Institute of several days for the preachers of the colored churches and others in Charlotte and vicinity, and while this had to be postponed on account of the absence from the City of several of their most prominent preachers, it is to be held later.

Besides the above, this Evangelist conducted three series of meetings in the States of Georgia, South Carolina and Tennessee, one each in these States, and in these meetings there were 173 professions and 52 additions to the Presbyterian church. During his absence from this Synod, this Evangelist received no salary from your committee.

Rev. O. G. Jones, D. D., General Evangelist of the Synod presents the brief but concise report:

26 meeting held.
405 sermons and addresses.
416 professions of faith.
1370 reconsecrations.
306 united with the Presbyterian church on profession.
$1108 contributed to Synodical Home Missions in the meetings held.
$2615 raised for other causes.

After seven years of labor as General Evangelist of the Synod, Dr. Jones has accepted the call of the Assembly's Committee to la-

bor for them as Regional Evangelist and will not be available for re-election by the Synod.

In these seven years over 1300 souls have been added to our churches through his labors, his work has grown in fruitfulness and the last year has been the most fruitful of any. Our interest goes with him and our prayers ascend to God for a still larger fruitfulness in his new work.

The Superintendent compiles the results of the labors of the Rev. Conner Brown, as follows:

19 meetings held.
365 sermons preached.
476 professions.
206 additions to the Presbyterian church on profession.
2 Sunday Schools organized.
$1174 contributed for Synodical Home Missions in the meetings held.

Mr. Brown attaches justly large importance to the work among professing Christians and reports over 4000 rededications of lives to righteousness and God's service.

For the first half of the Synod's year, Rev. Leonard Gill was Superintendent of Mecklenburg Presbytery and gave only half time to the work of General Evangelist of the Synod. For the last six months he has given full time to the Synod's work. The Superintendent compiles the following summary of his reports:

19 meetings held.
319 sermons preached.
741 profesions of faith.
315 additions to the Presbyterian church upon profession.
$1500 contributed for Synodical Home Missions in the meetings held.

The labors of all our General Evangelists have been greatly blessed and warrant pushing with vigor our campaign of Evangelism throughout the whole Synod.

The General Evangelists have received total contributions in the meetings held $5866.00, and the 50 men engaged in the local fields of the Presbyteries report contributions of $815.00 from the weak churches and mission stations supplied, a total of $6681.00, or the work has been this far self-sustaining.

By a former order of the Synod the following summary of all the Home Mission work in the bounds of the Synod has been compiled with much care; Synodical Home Missions from our own reports and Presbyterial Home Missions from carefully prepared reports from the superintendents or Home Mission chairmen of the several Presbyteries. To this, is added, from the Minutes of the last Assembly, the amount reported expended for Congregational Home Missions for the year:

Total ---------- $139,224 expended; $117,768 last year; $76,642 the year before that.

RECOMMENDATIONS

1. We affirm and emphasize the action of last year in setting $75,000.00 as the amount needed annually for this work as now constituted, and for its orderly development.

2. We affirm and emphasize the action of last year in setting 10 percent as the proper percentage for this work in the gifts of the churches, and in doing so, urge upon all our churches the necessity of giving this work its full and rightful place, as thus indicated, in their yearly budget, if we are in any way to overtake the destitution in our own State and carry out the enlarged movement so well begun and so evidently sealed with the blessing of God.

3. We call upon our churches to make this a whole church movement and urge the Women's Auxiliaries, the Sunday Schools, and the Young People's Societies to set apart the one-tenth of all their benevolent contributions for this work, that all together we may accomplish task.

4. That January and July be designated as Home Mission months as heretofore, and where there are churches or Sunday schools which do not set apart one-tenth of all their benevolent contributions for this work, that they be called upon to give at least one well announced collection in each of these months to the greatly enlarged work now being done by the Home Mission Committee of the Synod in its bounds.

5. That the Synod elect the following elders to serve on the Home Mission Committee for the ensuing year:

J. R. Young, Raleigh, Albemarle Presbytery.
Z. V. Turlington, Mooresville, Concord Presbytery.
A. R. McEachern, St. Pauls, Fayetteville Presbytery.
J. H. Kennedy, Gastonia, King's Mountain Presbytery.
W. H. Belk, Charlotte, Mecklenburg Presbytery.
E. P. Wharton, Greensboro, Orange Presbytery.
Col. Walker Taylor, Wilmington, Wilmington Presbytery.

6. We recommend further that Rev. William Black, Rev. Conner Brown, and Rev. Leonard Gill be elected General Evangelists of Synod and that Rev. A. W. Crawford be elected Superintendent and Treasurer for the ensuing year.

Rev. D. D. Slaughter, of the M. E. Church, South, was introduced to the Synod and invited to sit as a visiting brother.

Rev. A. W. Crawford made a verbal report of the work among colored people which with the following recommendations, was adopted:

Your Committee appointed at the last meeting of the Synod to confer with a committee to be appointed by the Synod of Catawba, U. S. A. church, submits the following minute of the joint meeting as their report:

A. W. CRAWFORD, Chmn.
C. M. RICHARDS,
Z. V. TURLINGTON,
Committee.

The committee appointed by the Synod of North Carolina to confer with a committee appointed by the Synod of Catawba relative to co-operation with the Synod of Catawba in evangelistic and religious work in Catawba Synod met in the Biddle University Library and was opened with prayer. The members of the committee present were Rev. A. W. Crawford, Dr. C. M. Richards, and Mr. Z. V. Turlington of the Synod of North Carolina and Rev. B. R. Smith, Dr. F. J. Anderson and Professor J. D. Martin of the Synod of Catawba.

The committee agreed to accept the minute adopted by the Synod of North Carolina relative to co-operation between the two Synods.

It was agreed that for this year the Synod of North Carolina do evangelistic work in the schools of Catawba Synod, using white preachers, and the working out of plans for further arrangements for the work be left to the chairmen of the two committees, Revs. A. W. Crawford, and B. R. Smith.

The committee of the Synod of North Carolina was requested to ask the said Synod to provide pay for a full time evangelist who shall do work within the bounds of North Carolina.

It was also deemed wise to ask that the Synod of North Carolina and the Synod of Catawba have a representative from each Synod to the other at the approaching meetings this fall.

F. J. ANDERSON,
Clerk of the Joint Committee.

It was Resolved: That the principle of co-operation with the Synod of Catawba in work for the negroes be approved and that the working out of it be committed to the Home Mission Committee.

Rev. B. R. Smith of the Synod of Catawba was then heard in an address as a fraternal delegate of that Synod.

In response it was Resolved: That this Synod send a delegate, to be appointed by the Moderator, to the Synod of Catawba at its next meeting to convey to them our action on co-operation and our fraternal greetings.

Rev. B. R. Smith, of the Synod of Catawba, was heard as a fraternal delegate from the Synod of Catawba, and it was ordered that the Moderator appoint a representative to the Synod of Catawba to express to them our desire for co-operation and present our fraternal greetings.

The matter of having a whole time manager of the Progressive Program in the Synod, was referred to the Stewardship Committee, together with the following: A. A. McGeachy, J. H. Henderlite, Z. V. Turlington, A. M. Scales, J. E. Purcell, E. C. Murray, and R. A. Lapsley

On motion, a collection was taken for Rev. J. S. Morrow, which amounted to $61.06.

Synod then adjourned, with prayer by Rev. C. G. Vardell, D. D., to meet tomorrow morning at 9:00 o'clock.

J. R. BRIDGES, Chairman.

The special order for 10:00 o'clock was taken up and Dr. W. J. Martin, President of Davidson College, was heard in the interest of the College.

The committee on Woman's Work presented the following report which was adopted:

REPORT OF THE PERMANENT COMMITTEE ON WOMAN'S WORK.

During the past year the Woman's Work of the Synod has been marked by splendid progress. The Synodical reports two hundred and seventy-four societies, with a membership of 10,403. The report made at the last meeting of the Synodical, held in the Gastonia First Church, October 5 and 6, showed a gain in membership during the past year of 1,334, being just a fraction less than 13 per cent. The total gifts reported for the year were $190,744. This was a gain of $57,214 over the previous year, not quite 30 per cent, or nearly two and one-half times the advance in membership. The gifts per capita for the year were $18.00. This shows very gratifying progress.

The work of the Synodical is advancing in accordance with a systematic program that is comprehensive in its scope. The endeavor is made to include all the interests of the church and to cover the field of Christian life and service. Stress is laid on such vital matters as Bible study, prayer and mission study. That this is thoroughgoing work is indicated by the following figures: Number of Bible Study classes, 133; number of prayer circles, 186; number of Foreign Mission Study Classes, 209; Home Mission Study Classes, 199. Much interest has also been manifested in advancing organized work among young people in the Presbyterials composing the Synodical.

It seems now that practically all of the organized work among the women of the Synod has been absorbed by the Synodical and the work of extension is being vigorously pushed. Of all the women's societies reported in the Synod, there are only twenty-four not affiliated with the Synodical, and the total of gifts apart from those reported by the Synodical is only $4,699. At the same time a large extension work yet remains for the Synodical. Of the 501 churches in this Synod two hundred and twenty-seven report no women's societies. These are probably for the most part small and struggling churches located in Home Mission territory, and while large in number represent a comparatively small constituency. However, they constitute a most fruitful field of constructive service and make an inviting and powerful appeal to the zeal and devotion of the Synodical.

A very fine piece of work that is being done by the Synodical i the new Woman's Building at Barium Springs Orphans' Home. This building is already under construction and when completed will house

sixty or more girls. The plan of the building is on exhibition here and we hope that every member of the Synod will examine it. The greater part of the money is already in hand and the women of the Synodical plan to present this building to the Synod, fully furnished and ready for occupancy.

Submitted with this report is the annual report of the Synodical in detail and a list of the officers and their addresses:

The correct list of Synodical Officers as installed at meeting in Gastonia, North Carolina. Two new officers were created and filled: Young People's Secretary of Colleges and Conferences, and Historian.

The Young People's work had grown too large for one person, hence the new Secretary.

The following recommendations are offered:

1. The Synod hereby records its hearty commendation of the splendid work that is being done by the women, its appreciation of the substantial and enduring service that is being rendered by the Synodical and extends its congratulations on the prosperity and success that have marked the work during the past year.

2. The Synod expresses its warm appreciation of the beneficence of the Synodical in providing funds for the new building for girls at Barium Springs Orphans' Home. This handsome structure will stand as a lasting and eloquent monument to the love and devotion of the women of this Synod, and will constitute a most important factor in carrying forward the Synod's progressive program in behalf of the fatherless.

3. The Synod earnestly recommends to all the churches the introduction of the Auxiliary Circle plan as the wisest and most effective method of promoting and developing the work of the women. The Synod also recommends that the Presbyteries encourage and promote the work of their various Presbyterials.

Respectfully submitted by the committee.

J. H. HENDERLITE, Chairman.

A partial report of the Home Mission Committee was read and adopted as follows:

PARTIAL REPORT OF HOME MISSION COMMITTEE

That the Synod has received with interest the communication from Miss Mebane in regard to work among prisoners and would call again upon our ministers and Christian workers to give special attention to the prisoners in their reach.

The committee on the Minutes of the General Assembly made report, and, pending its consideration, it went over as unfinished business, and the order of the day was taken up.

The Permanent Committee on the Orphans' Home made report, and, pending its adoption, addresses were heard from Rev. Messrs. R. A. Lapsley, Jr., R. M. Williams, H. G. Hill, D. D., H. M. Parker, and others.

The report was adopted as a whole and is as follows:

REPORT OF THE PERMANENT COMMITTEE ON THE ORPHANS' HOME

Your committee would respectfully acknowledge the honor conferred on the Orphans' Home in the action of the last Synod in promoting its Committee on the report of the Regents from the class of standing to that of a Permanent Committee.

Into our hands, as such, the Synod has placed the report of the Regents.

Since their report is read in connection with our report, we be-

lieve it unnecessary to recite any of their accomplishments or wise recommendations, but we do rejoice in the facts therein presented.

We possibly do not realize, as fully as we should, the great responsibility and privilege our Lord, the Gread Head of the Church, has placed in our hands in the care and training of the orphan.

We do acknowledge, with the gratitude of our hearts, the wonderful power of His presence, the wisdom and success He has given to those who are the Synod's representatives in the management and conduct of the work at Barium Springs, His loving care and protection of the children gathered there and His giving the Home such a warm place in the hearts of our people.

This declaration we would make by a rising vote and a prayer of His continued presence, that we fail not in our mission in His name.

We would recommend:

1. That since a change was made in the membership of the Board of Regents at the last meeting of the Synod, we extend our loving thanks and appreciation to those who have served so long, so faithfully and with such great success.

2. That Rev. W. T. Walker having tendered his resignation as Superintendent during the year, after ten years of devoted and consecrated service, be assured of our great appreciation and prayer for his success in his new field of labor.

3. That we appreciate the faithful efforts of the new Board of Regents in taking hold of the problems given them and the apparent success with which they have gone forward.

4. That we approve the plans and program of the Board and pledge our support to its completion according to their recommendations 1—6.

Respectfully submitted,
E. M. CRAIG, Chairman.

The Synod now took recess until 3:00 o'clock p. m., and immediately repaired to the "William and Mary Memorial Chapel," at Leggets, for a brief service of song and addresses touching the history of the church. The program was fully carried out, and a bountiful luncheon and "barbecue" dinner was served and enjoyed.—S. C.

THIRD DAY—AFTERNOON SESSION

Tarboro, N. C., Thursday, October 20, 1921.

The report of the Standing Committee on Union Theological Seminary was received and adopted and is as follows:

REPORT OF STANDING COMMITTEE ON UNION THEOLOGICAL SEMINARY

Your committee on Union Theological Seminary would report that we have carefully read the Annual Report of the Board of Directors of the Seminary, which reveals many evidences of the continued favor and blessing of God upon this institution. The past year has been one of the most successful in the history of the Seminary, twenty graduates being sent forth last May. As the Annual Report will be published in the appendix to the Minutes of Synod, we shall not rehearse here the facts therein contained.

We are glad to report that Seminary has had its best opening this fall, the enrollment of under-graduate students for the present year being one hundred and five, fifty of whom are new men. This is by far the largest Junior class ever enrolled.

The new model Sunday school building, Schauffer Hall, is now completed and is being used. This Building will add much to the thoroughness and efficiency of the Department of Religious Education. Our Seminary is now well equipped and strongly manned to do the important work the church has committed to her.

The financial statement for last year shows that the total annual expenditures are slightly in excess of the total annual income

from all sources. This fact emphasizes the necessity for an increase in the annual support fund. We recommend, therefore, that all our churches be requested to include the Seminary in their annual budget.

We recommend that the Synod express its appreciation of the encouraging report of the work of the Seminary brought to this meeting of Synod by Dr. W. L. Lingle, and that we assure the faculty of and earnest prayers in their great and important work of training our candidates for the ministry for their future work.

Respectfully submitted,

C. E. HODGIN, Chairman.

The Board of Trustees of the North Carolina Religious Worker's Home made the following report which was adopted:

REPORT OF THE BOARD OF TRUSTEES OF THE NORTH CAROLINA HOME FOR RELIGIOUS WORKERS, MONTREAT, N. C.

The Board of Trustees of the above named institution would respectfully report that several meetings of the Board have been held during the year, and it has endeavored to make the best use possible of the Home, and has kept the same open during the several conferences which were held during the summer, and 112 were entertained there during the season, most of whom were of the class made eligible by the action of the Synod.

The Home was managed during the Conference season most efficiently, by Mrs. N. L. Barnes of Davidson, N. C., and board and lodging were furnished at the exceedingly low rate of $8.50 per week, and nothing but praise was heard for the accommodations furnished.

It is the regret of your Board that our accommodations are so limited, as it could have been filled, if we had a place three times the size of the present building.

Your Board did not undertake to canvass for the necessary funds to enlarge and properly equip our Home, believing that on account of the very great stringency in money matters, this time is inopportune, but intends to prosecute the matter and enlarge the building so that all who would like to come, can be accommodated.

Your Board is fully convinced that there is a great field of usefulness for the Home, as it would furnish to the tired, overworked, minister and others, a fine place for rest and at the same time give opportunity to hear just the sort of addresses, music and other con-

ferences on religious subjects that is needed to encourage and equip bodily, mentally and spiritually for the work back home.

Your Board believes, too, that Montreat is only in the beginning of its usefulness in this direction, and so an institution like ours will be able to do more and more good as the years go by.

Your Board wishes to express its appreciation and return sincere thanks to Mr. and Mrs. N. A. Currie of Clarkton, N. C., for a Montreat lot, graciously donated by them.

The Home is free from debt, but money will be needed to make some repairs before next season, unless a new building is constructed.

The Treasurer's report is hereto attached and shows the receipts and expenditures, for the last year.

The term of office of Rev. William Black, Rev. W. A. Murray, Rev. Donald McIver, Mr. J. A. Brady and Mr. C. D. Bradham, Trustees, expires this year and Messrs. Chas. Norfleet, O. L. Clark and C. E. Neisler have resigned, and it is recommend:

First, That Rev. William Black, Rev. W. A. Murray, and Mr. C. D. Bradham succeed themselves, and that Professor J. M. Douglas succeed Mr. J. A. Brady, resigned; Rev. C. E. Hodgin succeed Rev. Donald McIver, removed from the bounds of Synod; that Mr. Walter P. Sprunt success Mr. O. L. Clark, resigned; Mr. E. P. Wharton succeed Mr. Chas. Norfleet,resigned; and Mr. Joseph Johnston succeed Mr. C. E. Neisler, resigned, so that the Board will be constituted as follows:

Term of office expiring in 1924: Rev. Wm. Black, Rev. W. A. Murray, Rev. C. E. Hodgin, Mr. J. M. Douglas, Mr. C. D. Bradham.

Term of office expiring in 1923: Rev. A. T. McCallum, Rev. J. E. Purcell, Mr. W. H. Belk, Mr. E. P. Wharton, Mr. Joseph Johnston.

Term of office expiring 1922: Rev. W. McC. White, D. D., Mr. Walter P. Sprunt, Rev. C. M. Richards, D. D., Mr. J. W. McLauchlin.

Second, That this cause be commended to the liberality of our people, that the necessary accommodations may be provided for all who would like to attend, and that contributions be sent to our Treasurer, Mr. W. H. Belk, Charlotte, N. C.

Third, That Pastors, Sessions and Sunday schools call the attention of their members, officers, Sunday school teachers, Women's Auxiliaries and Young People's Societies and others, to the several conferences to be held at different times during the year, and the

most excellent accommodations of the home, and that they use their best endeavors to have representatives attend the several different conferences from the first to the last of the season, and so use the Home for the greatest number of persons, and not all wait to attend any one conference.

WILLIAM BLACK, Chairman.

The order of the day—report of the committee on Young People's Work, was taken up, and the report was presented by the chairman, Rev. J. G. Garth, and with the exception of the Manual, which was referrred to a special committee consisting of J. J. Murray, Jno. A. McMurray, L. T. Wilds, J. M. Grier, A. J. Crane, J. H. Henderlite and Daniel Iverson, to report on at next meeting of Synod. The report was adopted and is as follows:

REPORT OF COMMITTEE OF YOUNG PEOPLE'S WORK

The past year has been one of progress. The number of societies has increased from 242 to 255, the membership from 6,722 to 7,551. Contributions to all causes amounted to $12,331. Reports to the Woman's Synodical Auxiliary indicate that over 1200 young people have given special study in classes to Home and Foreign Missions, which was doubtless due to the impetus received at the Young People's Conferences.

The Board of Directors of the Presbyterian Young People's League had its annual meeting in Charlotte, December 30, and made plans to hold the Young People's Conference. This Conference was conducted at Peace Institute, May 31 to June 7. The school authorities made every effort to make the gathering a success, and the entertainment was all that could be desired. The program was excellent, everything was harmonious, great enthusiasm prevailed, and a spiritual atmosphere hovered over all. The fact that 30 young persons in private conference, expressed a purpose to devote their lives to definite religious service shows the practical value of the meeting.

The League met each day to exchange ideas and hear mutual reports of their work in the local societies. Their spirit of unity was manifest, and they declared their purpose to strive for the objectives of their own denomination. The conference had its own officers and working committees from the young people themselves, and these carried out a finely arranged program, which was inspirational, educational, and helped to amalgamate the Synodical body of young people, willing to carry out the progressive program of our Church. The conference adopted a manual which was approved by the executive committee of the Board of Directors of the Presbyterian Young People's League, and the League asks that this manual be approved by Synod. The following is a resume of the manual:

The League is controlled by Synod through a board of directors.

The annual conference shall be conducted by this board.

The members of this League shall be young people, between 15 and 25 years of age, who are members of churches in the Synod.

The League makes no effort to establish local young people's societies, but all young people in the churches, Sunday schools, and societies are eligible to membership in the League.

j Echo meetings of the conferences should be conducted in every Presbytery.

The finances of the League shall be derived from funds contributed by the Synod and the Woman's Auxiliary, and a fee of five cents from each member.

The League adopts the denominational objectives of all kinds, and encourages all local societies to place the objectives in their budget.

It is a pleasure to report that 15 echo meetings followed the conference at Peace Institute in various sections of the Synod, at which over 2,000 young people gathered. Reports were heard of those who had attended the meetings at Raleigh, Wilmington, Montreat, and New York, thus bringing the inspiration to a larger number than could get to these meetings.

The Presbyterian Young People's League has adopted two special funds: The Barium College Fund, to which each local society is asked to contribute $1.50, is appropriated to the support of an inmate of the Synodical orphanage at one of our schools. Miss Nealy Ford is the present recipient, and she is pursuing her studies at the Assembly's Training School. $107 were given to this cause last year. The other fund is called the Sabbath School Missionary Fund, and each society is asked for $2.00, to be used for the support of a man in our State in Sunday School Extension.

A reward is offered, to stimulate the local societies, called the Ramsay Loving Cup to be awarded to the society making the best record at the next conference.

The executive secretary, after the conference, sent lists of delegates to our Synodical schools to aid in Christian education.

As to finances, during the year, the secretary handled a total sum of $2321.41, of which the Synod gave $300, the Woman's Auxiliary $200, delegates fees amounted to $1333, and the rest came from various sources, as balance on hand from last year of $228.22, the sale of books, the conference store, etc. Total amount disbursed $1954.97, leaving a balance on hand of $366.44.

RECOMMENDATIONS

1. The Synod expresses its gratification at the zeal of the young people and assures them of our sympathy and prayers.
2. The Synod appoint a committee of one from each Presbytery to examine the proposed manual, and report to the next Synod.
3. The Synod recommends the young people's work to the liberality of the churches.

JOINT REPORT OF THE COMMITTEE ON SABBATH SCHOOL WORK AND YOUNG PEOPLE'S WORK

2. This committee shall be charged with the promotion and development of effieiency in Sabbath Schools and Young People's Work.

3. The Permanent Committee of Sabbath Schools and Young people's Work shall choose an executive committee of three of its members to transact business ad interim for the committee and report to it.

4. The Permanent Committee of Sabbath Schools and Young People's Work shall hold at least one annual meeting, and ad interim meetings may be called by the chairman, as necessary, and the expense of such meetings shall be met by funds at the committee's disposal.

5. This committee shall co-operate with the General Assembly's Committee of Sabbath Schools and Young People's Work in such a way as to co-ordinate our Synodical work with the work of the Assembly's Committee. The Synod's Committee shall seek the counsel and direction of the Assembly's Committee, and shall accept such material and financial aid from the Assembly's Committee, as shall be deemed wise for the support of our own work.

6. The Synod shall establish the office of Synodical Superintendent of Sabbath Schools and Young People's Work, and shall elect the superintendent every year, at a salary to be fixed by Synod, with office and travelling expenses paid. The superintendent shall be nominated, and his movements directed by the Permanent Committee of Sabbath Schools and Young People's Work, with the advice of the Assembly's Committee of Sabbath Schools and Young People's Work.

7. The Permanent Committee of Sabbath Schools and Young People's Work shall co-operate with all the committees of Synod and the Presbyteries in the furtherance of their work.

8. The Synod requests the Woman's Synodical Auxiliary to continue their co-operation in the Synod's work.

9. The Committee of Sabbath Schools and Young People's Work shall serve as members of the Board of Directors of the Presbyterian Young People's League.

10. Synod recommends that the Presbyteries form their work of Sabbath Schools and Young People's Work along the lines adopted in this plan.

11. The Synod authorizes the committee of Sabbath Schools and Young People's Work to elect the superintendent for the first term, and that his salary shall be $3,000.

12. This committee is authorized to raise the money for the expenses of its work.

J. G. GARTH, Chairman.

The report of the committee on Sabbath School Work was received and adopted as follows:

Your Committee reports that the Sunday Schools of Synod, in most instances, are in a flourishing condition. The enrollment of a great number of the schools shows a great increase over last year. It is with pleasure that we report that 1675 were received into the church from the Sunday Schools during the year. It is also noteworthy that a great number of the schools have contributed liberally to the different benevolent causes of the church. There are many evidences of greater interest in the Sunday school work of Synod.

W. E. HILL, Chairman.

Rev. R. A. Lapsley introduced the following resolution regarding the election of a Synodical Superintendent of Orphanage work, which was adopted, and is as follows:

The members of the Board of Regents, present at this meeting of the Synod, respectfully ask the Synod to call as Synodical Superintendent of Orphanage work Rev. R. Murphy Williams, of Greensboro, and to authorize his election.

The unfinished business report of the committee on the Minutes of the General Assembly was taken up and adopted:

The Synod's Committee on the Minutes of the General Assembly reports as follows:

In response to the recommendation of the General Assembly's Stewardship Committee, that the fall meetings of Synod and Presbyteries be so arranged that Synod meets before the fall meeting of Presbyteries, we recommend that this change be not made.

Second, In view of the fact that the $5000.00 appropriated by the General Assembly of 1921 to the Federal Council is not a part of the necessary contingent expense of the General Assembly.

THEREFORE, the Synod of North Carolina, in session at Tarboro, N. C., October 20th, 1921, does respectfully overture the General Assembly to meet in Charleston, West Virginia, in May, 1922, not to add this $5000.00 to the Presbyterial tax in the future.

Respectfully submitted,

THIRD DAY—EVENING SESSION

Thursday, October 20, 1921.

Synod met at 8:00 p. m., and resumed business.

The Permanent Committee on the Bible Cause made the following report which was adopted:

REPORT OF PERMANENT COMMITTEE ON BIBLE CAUSE

Your Committee on Bible Cause would call your attention to the very great importance of the American Bible Society as the source of supply of the printed Bible, the book above all others fundamental to the life and growth of the Church. Through its eleven foreign agencies, on five continents and the Islands of the seven seas foreign agencies on five continents and the Islands of seven seas, it is distributing to mankind the printed Scriptures in over one hundred and fifty languages and dialects. In the 104 years of the So-

ciety's existence the total issue has been 137,903,939 volumes. When we remember that in our foreign missionary work in Brazil, China, Japan, Cuba, Korea, and Mexico, we are almost entirely dependent upon this society for our Bible supply, and that otherwise vernacular Bibles could be obtained only at enormous expense by translation and printing by us, we realize how important this cause is to our work in foreign countries.

There has been a continued and increasing demand for the Bible throughout the whole world arising from a distribution of Bibles and Testaments by the American Bible Society to our soldiers during the engagement of the World War.

Again in the territory of our own church at home, the Bible is being circulated in some forty different languages and dialects to immigrants who are becoming an increasingly large proportion of our population even in North Carolina. Perhaps our ministers and workers might find a gift of the Bible in his native tongue to these strangers within our gates to be very effective means of reaching them. Five of the nine home agencies of the Society lie in the bounds of our church and the value of their work can scarcely be overestimated. Today the Bible is needed in our North Carolina homes as greatly as ever, or even more, because of the increasing trend to allow pleasure seeking to crowd out sacred and holy things. All too often a cynical if not hostile attitude toward things sacred is reflected in the motion pictures, magazines, and current fiction. The Bible in the home is the readiest and most powerful antidote for this poison. More and more with the crowded curriculum of the average public school, Bible reading is being crowded out even in chapel exercises. In many States it is now barred by law. It is of interest to note that a case is now pending before the Supreme Court from the State of Washington to determine whether the Bible shall be barred from the public schools of that State as at present is the case. Thus every encouragement should be given and every effort made to place the Bible in every North Carolina home. Through our connection with the American Bible Society, we are contributing our efforts to this end in supporting the Bible Cause.

During these years, the Bible Cause Committee of King's Mountain Presbytery has distributed more than 4000 Bibles and portions within the bounds of the Presbytery through the establishment of a depository for the American Bible Society in the congregational field of the First Presbyterian Church of Gastonia. This has been the means of increasing the value of personal work through the ready entrance obtained into the homes of all classes.

It is encouraging to note that seemingly there is an increasing yearning for the Bible itself and Bible study among the whole mass of our people. We find this quickened interest reflected in the secular as well as the religious press. Surely our ministry is the natural and most effective medium of increasing this awakened interest.

Of the $23,145 which Assembly contributed last year to this cause, $3519 was from the Synod of North Carolina. When we think of the benefits we have received from the work of the American Bible Society, not only in missions abroad but on the Home mission field of our own State, it would seem that we are still very much their debtor.

We recommend:

1. That our ministers faithfully present this cause to the people and suggest Universal Bible Sunday, November 27, as an appropriate day for special sermon on this line.

2. That each church be urged to give this cause its full apportionment on the budget.

3. That all churches engaged in local congregational mission work are urged to do more work in distributing the Scriptures. Relations can be established by writing to the Southern Agency of the American Bible Society, Richmond, Virginia; Rev. M. B. Porter, Secretary.

Submitted by,

CARL B. CRAIG, Chairman of the Bible Cause.

The special order for the evening was a popular meeting in the interest of Foreign Missions. Rev. J. M. Grier, D. D., Chairman of the Permanent Committee on Foreign Missions, presented the annual report, which was received, and, pending its adoption, Synod heard interesting addresses on our work in China, by Dr. D. W. Richardson, of the Synod of South Carolina, and Rev. Lacy L. Little.

The report was adopted as a whole and is as follows:

REPORT OF COMMITTEE ON FOREIGN MISSIONS

In presenting report on progress made by our church in obeying her Master's great command, "Go ye into all the world and preach the gospel," we are thankful to note increase in additions to our church abroad on confession of faith, 4690 being thus added.

We note also increased interest in this great cause as evidenced by $75,971.00 increase in gifts over those of preceding year. Total contributions by whole church being $1,153,629.00, for year ending March 31st, 1921.

To offset these encouraging features is the advance in cost of administering the work which increased more rapidly than the gifts to cause—making a deficit for the year, of $79,186.00, which added to accumulated deficit of preceding years, makes a total of $242,626.00.

We do well to recount the part our own Synod performed during past year. Increase in gifts in our bounds was $57,912.00 over preceding year—making an increase of $342,000.00. Had this ratio of increase been maintained over whole church, our indebtedness would have been wiped out and $125,933.00 would have been left in the treasury. Every Presbytery in the Synod shared in this increase, and we deem it of sufficient importance as to justify detailed statement for two preceding years:

Albemarle	gave in 1921,	$12230 in 1920,	$10583 increase	$1657
Concord	gave in 1921,	27380 in 1920,	21191 increase	6189
Fayetteville	gave in 1921,	35348 in 1920,	30478 increase	4870
King's Mtn.	gave in 1921,	10331 in 1920,	9125 increase	1206
Mecklenburg	gave in 1921,	35664 in 1920,	27013 increase	8051
Orange	gave in 1921,	69376 in 1920,	38247 increase	31129
Wilmington	gave in 1921,	34132 in 1920,	29312 increase	4820
Synod	gave in 1921,	$223861 in 1920,	$165949 increase	$57922

We can but be moved by the church's slowness of heart to answer her Lord's command, yet if we glance backward and make comparison by ten year periods there is still greater cause for gratitude to God for working in the hearts of people in our Synod to respond by giving. In 1871, just fifty years ago, our Synod gave to this cause $1928.00, in 1881 gifts rose to $5917.00, in 1891 to $20393.00. Next ten years marked a slight decrease as the churches in the present bounds of our Synod gave only $19430.00 in 1901. But in 1911 gifts rose to $71,165, while in 1921 (as noted above) gifts were $223,861.

Nor has our interest been confined to financial gifts, we have made the more costly offering; forty-two of our sons and daughters now being engaged in mission work abroad.

We note with gratitude that in early months of present year trirty-four new missionaries were sent out to reinforce our sorely tried and over-worked laborers abroad.

In view of the great scarcity of physicians in many of our missions abroad, we recommend that Synod directs her pastors and sessions to call attention of our consecrated physicians to this imperative need and encourage them to volunteer for this service.

J. M. GRIER, Chairman.

The committee on the Minutes of Synod made the following report which was adopted:

Your committee on the Minutes of Synod respectfully report:

1. That a certified copy of the Minutes of 1920 was placed in our hands and was carefully examined.

2. That we find that the Minutes seem to be faithfully kept and are correctly and neatly printed.

3. That the Minutes were submitted to the General Assembly in St. Louis, Missouri, for review, and were examined and approved by that body.

4. We recommend the approval of the Minutes by the Synod.

Respectfully submitted,
EUGENE ALEXANDER, Chairman.

The committee on the Sabbath and Family Religion made the following report which was adopted:

REPORT ON SABBATH OBSERVANCE AND FAMILY RELIGION

Your committee begs to make the following report:

That as we have been commanded to "Remember the Sabbath Day to keep it holy" (Exodus 20:8) and as we see that commandment continually being shamefully broken, week after week, not only by the people in general, but we are sorry to say by thousands who claim Christ as Lord and Master, we have to report that the American Christian Sabbath is in danger of becoming a thing of the past unless the Church of the living God sounds the alarm and God's people return to Him who is willing to forgive when they repent.

From all reports come the sad news that family altars are few and that personal obligations to the church service are lightly considered. The study of the Word and the Catechisms in both homes and churches is sadly neglected.

The great need of our land today is men and women strong and true made so by the Word being hid in their hearts and practiced in their lives.

In the church service we seldom find God's people with the Word in their hands, and sometimes very little of it being read in their homes.

On the other hand we are glad to report that we believe there is an improvement along the lines of Bible study and Sabbath observance among the people of our church as the result of an awakening to the need of God's Word and reverence for His day and house.

Your committee begs to offer the following recommendations:

1. That the parents of our beloved church be called upon to rear in their homes the family altar, to read and pray with their children, to go with and be with them in the Bible schools, to have them with them in the church services and to teach them to give of their substance to the Lord's work.

2. That the churches and Bible schools be called upon as never before to warn against Sabbath desecration and to remind the people of the evils that comes therefrom.

3. That our Bible schools be urged to teach the Word and the Catechisms with an earnestness that we believe God's command requires.

4. That in view of the fact that the coming General Assembly is to be an "Evangelistic Assembly" we would urge that an effort be made by the sessions to establish in their churches and Bible schools a "Laymen's Evangelistic Circle."

5. That we ask the Synod to now render unto God a special prayer of praise and thanksgiving for what has been accomplished and to most earnestly entreat our Heavenly Father, for Christ's sake to give us through His holy Spirit a conception of the great need and his willingness and readiness to use and bless us in our efforts to restore the Christian Sabbath and Family Religion in the hearts of men as we believe God has ordained.

Respectfully submitted,
GEORGE W. LEE, Chairman.

Synod was then led in prayer, by Rev. C. B. Craig, for God's blessing on these two fundamental Christian institutions.

The following resolution of thanks was adopted by a rising vote:

The members of the Synod of North Carolina in 108th Session, wish to express to the Howard Memorial Church, to the members of other churches, all other citizens of Tarboro, and the William and Mary Hart and Pinetops churches their grateful appreciation and thanks for the splendid way in which they have been entertained and for all of the special courtesies that have been shown them.

We wish especially to thank the pastor of the church and Mr. George Howard for their constant service to us while here.

We wish to thank all of the committees of the church for their efforts both before and during the meeting of Synod, to make our stay here comfortable and pleasant, and to say that they have succeeded in an eminent degree.

We wish to thank the ladies of the Howard Memorial church for the elegant way in which they served us at luncheon on Wednesday; and the people of the William and Mary Hart Chapel for the suptuous barbecue dinner served us on Thursday.

We wish to express our gratitude to the choir of the church and to Mrs. Wandeen Webber of Peace Institute for the special music rendered.

We express with appreciation our thanks to the stenographers who have served the Synod; to Miss Nannie Graham, who has conducted the Information Bureau; to the Carolina Telephone and Telegram Company for the installing and use of a telephone; to the city paper "The Southerner" for the full and complete way in which it has carried the accounts of the meetings; to the Raleigh papers and the Greensboro Daily News for services rendered and to the Atlantic Coast Line Railroad Company for the manner in which it has served us.

As all of these have contributed to our comfort and pleasure and blessing, so we in turn pray that our stay here may prove a blessing to them.

Adopted by rising vote.

Z. V. ROBERSON.

Synod adjourned with prayer by Rev. T. H. Spence to meet tomorrow morning at 9:00 o'clock.

FOURTH DAY—MORNING SESSION

Tarboro, N. C., Friday, Oct. 21, 1921.

The Synod met at 9:00 o'clock and Devotional Exercises were conducted by Rev. W. A. Murray.

The Minutes of yesterday's sessions were read and approved.

The Historical Committee reported that it had nothing of importance to report. Adopted.

It was ordered that the Superintendent of Home Missions, Rev. A. W. Crawford, be made a special committee to assist the Stated Clerks of the Presbyteries, in securing a correct list of the Elders and Deacons of the Synod and their addresses.

It was ordered that the usual number, (1000) of minutes, including the list of Elders and Deacons, be published, and, in addition, 200 extra copies of this list of Elders and Deacons be published separately, to make the whole number 1200 copies.

A supplement to the report on Nominations was adopted, namely:

That the Committee to confer on the colored school proposed by Rev. D. H. Scanlon be composed of the following seven members:

Rev. D. H. Scanlon, Durham; Rev. C. E. Hodgin, Greensboro; Elder E. P. Wharton, Greensboro; Deacon E. M. Carmichael, Elder W. H. Sprunt, Wilmington; Elder Jno. R. Pharr, Charlotte; Elder Dr. D. H. Hill, Raleigh.

The committee to investigate and coordinate all the committees of Synod was continued—(See Minutes of Synod, page 448) and is as follows:

J. R. Bridges, Mecklenburg; D. H. Scanlon, Orange; S. R. McQueen, Fayetteville; J. E. Purcell, Wilmington; H. B. Searight, Albemarle; W. S. Wilson, King's Mountain; C. M. Richards, Concord.

Dr. Bridges was requested to have the Moderator's sermon published in the Presbyterian Standard.

The following Resolutions in regard to the Presbyterian Standard was adopted:

The Synod of North Carolina in Session at Tarboro, North Carolina, wishes to record its hearty and grateful appreciation of the splendid work and increasing influence of the Presbyterian Standard.

We endorse with high admiration the editorial management of the paper. We warmly commend the Standard to our people as the official organ of the Synod and earnestly urge our ministers and sessions to endeavor to place it in every Presbyterian home in the Synod.

The following report on the Narratives or Addresses to the Churches was adopted:

The committee on Narrative respectfully reports as follows:

1. Reports from the Presbyteries indicate that most of the churches are supplied with preaching, but many of them have services on only two Sundays a month, and some of them on only one Sunday.

2. Probably sixty-five per cent of the church members attend the Sabbath services with reasonable regularity, and not more than twenty or twenty-five per cent attend the weekly prayer meeting.

3. The number of additions on profession of faith is encouraging and calls for profound gratitude. The reported additions by letter encourages the belief that those who move their homes usually transfer their membership.

4. A large proportion of the additions on profession are from the Sunday school.

5. Most of the churches have held at least one series of evangelistic services, resulting in some instances in accessions to the membership and in stimulating the spiritual life of older members.

6. It is painfully evident that comparatively few families hold family worship, and fewer still belong to the Family Altar League.

7. Most of the churches hold at least two communion services a year, a few of them only one. These services do not appear to be attended by more than seventy per cent of the membership.

8. A fairly good observance of the Sabbath is generally reported, but it is probably due to lowering of the standard rather than to a due regard for the sanctity of the day.

9. We fear that in many of our churches there is less faithfulness than formerly on the part of parents in presenting their children for baptism.

10. Many parents, we fear, are remiss in the duty of teaching their children the catechisms—too generally relegating this important work to the Sunday school teachers.

11. The catechisms are taught in many of the Sunday schools, but their use is not so general as it should be.

12. Pupils memorize the Scriptures to a small extent. There appears to be no general effort to have them memorize hymns.

13. Pastors are faithful almost without exception in teaching the duty of Stewardship.

14. We believe the number of tithers is increasing, but not with encouraging rapidity.

15. Only a small proportion of the churches paid in full the apportionments for benevolences.

16. Pastors' salaries have generally been fully paid.

17. The formal reports indicate that worldly conformity is not generally prevalent, but we fear that these reports are due to a low standard rather than to a high state of spirituality.

18. Few of the churches report evangelistic services outside of their bounds, due doubtless to the fact that there is no territory contiguous that is not within the bounds of neighboring churches.

19. We do not believe that earnest and systematic efforts by pastors and sessions to secure recruits for the ministry are as general as they should be, and Synod urges upon the churches a more faithful consideration of this all-important subject.

Respectfully submitted,
W. R. COPPEDGE, Chairman.

VIII. DEATH OF MR. GEORGE W. WATTS

The Board records with deep sorrow, the great loss the Seminary has suffered in the death of Mr. George W. Watts, for twenty-seven years a member of the Board and for sixteen years its President, who was called to his reward on March 7th, 1921. Services in memory of this beloved friend and preeminent benefactor of the institu-

tion were held in the Watts Chapel on March 9th, and a sketch of his life and work was published in the Union Seminary Review for April. The Board has endeavored to express its appreciation of his unparalleled services to the Seminary in a special paper adopted at its annual meeting on May the 10th.

IX. BUILDING OPERATIONS

Schauffler Hall, a modern Sunday School building for normal work, is now approaching completion and will henceforth be occupied and used by the Department of Religious Education. It is a handsome and commodious structure, thoroughly adapted in every detail to its designated use of stimulating and directing all manner of effective religious work for young people.

X. GIFTS AND BEQUESTS

The Seminary has received a large number of generous gifts during the year, contributions for current uses amounting to $15,170.00, and gifts and bequests to permanent funds amounting to $26,194.00, total $41,364.00. To all the kind friends who in this difficult time have given so liberally for the relief and help of the institution, the Board, in the name of the church, expresses its most hearty thanks.

REPORT OF BOARD OF REGENTS OF BARIUM SPRINGS

At its last meeting Synod made a new departure in its Orphans' work by electing a Board of Regents composed of eight men and eight women. Of that number three declined to serve, and in accordance with the Charter the Board elected in their place to serve until this meeting of Synod, Mr. C. A. Clark, of Clarkton, Mrs. A. M. Fairley, of Laurinburg, and Mrs. Edward J. Johnson, of Winston-Salem. The Board has held four meetings during the year, three of them at the Orphanage. These meetings have been well attended. From the regular annual meeting last week, only one member was absent. We have made a careful examination of the buildings, grounds, equipment, farm and dairy, and have gone as thoroughly as possible into all questions of management, policy, finance and future progress.

In addition to this the Executive Committee spent two whole days at Barium, and held one meeting in Charlotte. Different members of the Board have from time to time visited the institution in order that they might keep in closest touch with the work.

CHILDREN

We are now caring for 234 children, 120 boys, and 114 girls. Their health during the year has been good. There have been no serious epidemics and no deaths. These children appear to be happy and contented, and are comfortably clothed and given an abundance of wholesome food. The superintendent and teachers eat with the children in the dining-room. Upon the advice of the home physician thirty children have had tonsils and adenoids removed and quite a number have been fitted with glasses. We believe that the morale of the institution has shown real improvement during the year. There have been only four run-aways, as against thirty-eight last year. Children have shown unwillingness to leave the Home to go into the private homes of people who wish to adopt them. And a most gratifying desire to fix up and keep the cottages attractive is being shown by the children themselves.

IMPROVEMENTS

During the year a number of improvements have been made. Most of these improvements were authorized by the old Board and we have merely carried out their plans. The mechanical department with the aid of the boys and two carpenters have repaired the Alexander Building, the old Industrial Building, which had been destroyed by fire. It has been converted into a boy's dormitory and will furnish needed quarters for the squad of dairy boys. These boys had

been housed in Round Knob Cottage, which was merely an old barn fitted up temporarily as a make-shift. A modern potato house has also been completed during the year for the housing of potatoes, a big item in the food supply of the Home. The necessary repairs have been made on different buildings and some necessary equipment purchased to the amount of $2,659.50. Through the generosity of Messrs James and W. H. Sprunt of Wilmington, the Sprunt Infirmary has been supplied with additional equipment in the way of tables, beds, etc. The Board has also purchased and placed at the cottages, playground equipment, consisting of slides, giant strides and swings. These things have added much to the pleasure of the children, and have been the source of much innocent and wholesome enjoyment.

BUILDINGS

A careful examination of the present buildings show that all are in need of repairs. There should be, as soon as possible, a complete overhauling of all the cottages. We hope that Synod will provide funds with which this can be done. It will be a matter of good business to do this. It will also exert a wholesome influence upon the children themselves, as shabby buildings cannot but tend to develop in them careless and slip-shod traits of character.

The Board has authorized the construction of two new buildings. The contracts have been let and the work begun. The first is a cottage for girls to be known as the Woman's Building. This building is located just across the road from Howard Cottage. It will be a two-story, brick structure 152 by 48 feet. It will accomodate sixty-four girls. It is of the latest type of construction, each floor being a separate unit with separate entrances and smoke-proof stairways. It will indeed be a double cottage, with a matron and entirely separate group of girls on each floor. The large basement will be well lighted and fitted up for play-rooms for indoor games and systematic exercises. This building will cost about $65,000, complete and furnished. Of this amount the women of the State have already in hand $45,000 and are enthusiastically proceeding with the task of raising the balance. They have through their leaders pledged themselves to the completion and furnishing of this building.

The second building is a new dining-room and kitchen. This building will be the old Rumple Hall greatly enlarged and improved. Two new wings will be added. The old kitchen which was entirely inadequate will be torn away and a modern, up-to-date kitchen built in its place. When finished this building will provide a dining-room for 500 children and the necessary workers, a kitchen of sufficient size to prepare food for this number, dormitory space for 62

girls, the number required to do the work in the dining-room and kitchen. This building will cost when completed and furnished $60,000. In going ahead with these projects the Board feels that it has but carried out the instructions of the Synod last year, and the actions of previous years.

INDUSTRIAL TRAINING

The Board of Regents feel that more emphasis should be laid on this part of the work of the Home. The destruction by fire of the Industrial Building and the printing plant has broken up the training of the boys along this line. A business course should be added to the school curriculum. The Board has this matter under consideration and has a special committee appointed to study the whole subject of industrial training and bring in recommendations at its next meeting.

SUPERINTENDENT OF ORPHANS' WORK

Rev. W. T. Walker, the Superintendent or Orphans' work for the State, tendered his resignation as such the first of the year. The Board believes that there is a great field here for development, outside and beyond the work of the Home itself. The work of the Superintendent of Orphans' has already been fourfold: "First, an effort to establish an Orphans' Home for paying inmates; second, making some provision for children having no recognized parents; third, aiding Christian mothers who have lost their husbands and lack means in rearing their own children, and fourth, finding suitable orphans to be adopted by parents having means, but no children." The Board has been in search of a man for this work, but has so far been unable to find him.

BEQUESTS

During the year the Board has received from the will of Mrs. Mary D. Scott, $2,270.49, by bequest through the will of R. R. King, $100.00, and by bequest through the will of J. C. Burroughs a balance of $18,542.96; making a total of $20,913.45, which has been received during the year. In addition to these amounts already received, the institution will receive a bequest of $25,000, through the will of the late George Watts, of Durham. We would lay upon the hearts of our people very earnestly this mode of helping our Orphans' work. We hope that it will more and more become the custom of the Presbyterians throughout the State to remember the Orphanage in their wills.

FINANCE

The Treasurer's report, which is appended to this, shows that our receipts for the year have been $59,868.59. This is a loss of $4,235.42 in the contributions of the churches. We sincerely hope that this does not mean a falling off of interest in the orphange work. The enlarged building program will add this coming year a hundred new children and increase correspondingly our expenses.

The total expenditures for the year were $66,210.03. Of that amount $5,410.97 was expended for items that have been ordered by the previous Board, including a truck, an automobile, a piano and certain building repairs, leaving the total expenditures for the year under the new management $60,799.06, an increase of $1,969.60. We begin the new year with a balance of $5,032.24. The Treasurer's books have been audited by Todd & McCullough, certified accountants, of Charlotte, N. C., and their report is attached.

We also make the following recommendations:

1. That the Synod set as its goal for its Orphans' Home the care of at least 500 children and pledge itself to provide as soon as possible the necessary cottages and buildings to properly take care of this number.

2. That the Synod approve the action of the Board in ordering the construction of the Woman's Building for girls.

3. That the Synod approve the action of the Board in the remodeling of Rumple Hall.

4. That the Synod approve the Thanksgiving Campaign for $125,000, $25,000 to be used for support fund and $100,000 for building fund, the latter amount to be distributed as follows: $65,000 for the work of Rumple Hall; $10,000 for the laundry building, and $25,000 for repairs.

5. That the Synod once more urge the Sunday schools to give at least one Sunday a month to an offering for the support fund, as one of the best ways of providing for the work.

6. That the Synod apportion the sum of $75,000, and that it be divided among the Presbyteries as follows:

Concord	12600
Fayetteville	15000

King's Mountain	5800
